ESSAY QUESTIONS

Please answer all questions and write your answers in English. We realize that English is not your native language and you will not be judged on the quality of your writing skills. However, we would like to know that you are able to express yourself in English as this will be the primary language of the Artsbridge summer program. Please use a separate piece of paper to have more space for your answers.

1. Write a short autobiography that includes a description of your family as well as important events and people in your life that have helped shape who you are. (1 page)

2. Tell us why you want to participate in Artsbridge and how you expect to benefit from your experience.

3. How do you expect to incorporate your Artsbridge experience into your life when you return home?

4. What are your artistic skills and creative interests? (examples: drawing, music, dance, sculpture, painting, carpentry, writing, poetry, etc) What kind of art are you interested in learning more about?

6. What else would you like us to know about you?

Please return this application before March 15th 2010 to:

**Artsbridge, Inc.
Attn: Deborah Nathan
P.O. Box 113
Swampscott, MA 01907
USA**

**You may mail applications to the above address, or email them to: debnathan@mac.com,
or fax application to: 781-592-7431**
